## Wedding Brochure

The Applewicks Boutique offers you many options to make your special day as beautiful and memorable as possible. We have quality products, highly skilled craftspeople, and a desire to work with you so you can be as happy with your choice as we are to serve you.

Candles are an important symbol in the ceremony. They add beauty and elegance to your already illuminated day.

# For the Reception

We have many different designs available to compliment your reception, either as centerpieces for your tables or to add to the general ambience.

*For Shimmering Simplicity*

Taper, Cylinders, Votives, Floaters and many other styles are available to you for use in your ceremony.

We can match to the color of your wedding party ,Bridal Bouquet or centerpiece.

# Thank-You Gifts

To thank everyone for sharing your memorable day, give them a gift that is as lovely as the wedding itself.

**Gift Baskets** can be made to meet your budget. We have wonderful homemade journals, scarves, placemats, napkins, Tart Burners with tea lights and tart hearts and more. Please come to our showroom to see how many wonderful items we can provide for your gift giving.

***Favours** come complete with a tag of your choosing. You can have your vows, a poem, your names, even a picture of your choice.*

*You can have them in glass, as pyramids, as votives, tart hearts, floaters and many more styles.*

*Perfect for themed weddings!*

# Customize Every Step of the Way

We can provide personalized tags for your thank-you gifts, each attached with a satin ribbon, rustic jute, or any other threading of your choice.

Your tags would be designed in consultation with you, so they say exactly what you want, and include any image or Verse you wish to have.

It's Your day!

All of our candles are available in a wide variety of colours, which can be used as solids or multi-coloured to compliment any colour theme. We also offer the option of scented or unscented, with a varied choice of scents. Tell us what you want and we will work together to make it happen.
