

Fred's Milestone: Celebrating 35 Years

Congratulations again go to Fred on this incredible achievement. It was so inspiring to hear from him about his journey as he shared his story and his gift of music. Special thanks to Sarah Roberts, who created a poem for Fred. Sarah and Fred have been writing poems together for many years.

Happy Birthday and Welcome Home, Greg

Greg visited his sister, Sarah-Jane, and other relatives on a trip to Canada's capital city, Ottawa. Greg enjoyed a variety of fun activities, including dining out, going to the movies, watching the Harlem Globetrotters on their world tour, visiting famous landmarks, and more!

Fun at Homefires House

The Homefires House ladies had a little dance party, Krystle prepared a meal with Violy and Sarah, and Krystle called her friend, Chastity in Ottawa!

Adventure Awaits

Laura joined friends from Lighthouse and Burnside for a maple syrup event. She was fascinated by the chickens, and everyone took turns participating in various activities, such as learning how to operate a tractor. Laura was very proud of herself!

Wolf's Wolfville Wolf Pack

Wolf was beaming with excitement about his new Wolf Pack t-shirt, and Alexander has been sporting some super cool custom running shoes. If you're reading this, let out a big howl!

World Down Syndrome Day

Thank you to everyone who attended the World Down Syndrome Day Flag Raising event in Coldbrook. It was great to see L'Arche Homefires being so well represented at the event.

On April 2nd, let's get a crew out in the afternoon for the Autism Acceptance Month Flag Raising event. Celebrating differences is what we do best!

L'Arche at the Look-off

The first of many trips to the Look-off in 2024. No matter the weather, the view is always stunning!
