

## Meet Derek

Meet our newest Core Member, Derek. His hometown is Bridgewater, and he's the youngest in his family with three older sisters. Back home, he has three cats as pets. Derek used to live on a farm with over 30 cows too! His favorite film is "Pirates of the Caribbean," and his favorite food is scallops.

Derek loves tinkering and repairing things and is currently working on fixing up a 2002 Acura. He also loves riding ATVs.

Derek lives in Eden House, and he's super excited about all the fun things happening in community. He's particularly excited to contribute to CandleLand.

## Live-In Assistants Potluck

Assistants gathered together in the basement of Homefires House to share cooked meals from their cultures. Thank you, Homefires House, for hosting the group. The food looks so tasty!

## Drama Club

Our new Drama Club has been hard at work and having fun! It's fantastic to witness the creativity emerging from this newly formed group. We can't wait to see what's in store for this club in the future!

## Wham, Bam, Totally Glam

Nonie gave Casey a much-needed makeover. Thank you, Nonie, for dealing with the rough hands of our maintenance worker!

## Sssensational Serpents

The room was divided when For Pete's Snakes visited L'Arche Homefires. Some of us were scared, while others were overjoyed to pet and hold our slithering visitors. We learned a lot, made new friends, and created new memories too.
